Work Instruction - One Page Template - Microsoft Word

File Edit View Insert Format Tools Table Window Help

Company Name: Work Instruction ID: Document Owner: Version:

1 Work Instruction

1.1 Purpose

Describe the purpose of the process (name of work instruction) or the name of the work instruction and include any relevant background information, such as Caution, Warning or other information that the reader must be aware of when reading the document.

Start with the following: The purpose of this document is to provide instructions for _____.

1.2 Scope

Describe the scope of the work instruction as well as the equipment. If a step will not work under conditions, note the reader understands where the work instruction fits into other activities, such as in the Production Manual or Technical documents. Identify the area or process that the instruction applies to:

Item	Purpose

1.3 Pre-requisites

Describe any information that must be read or equipment that must be in place before starting the instructions, for example, tools, software, documents, and certifications.

Start entering your text here.

1.4 Responsibilities

Identify the positions that have responsibilities in the work instruction and describe how their responsibilities relate to the work instruction. If relevant, include contact information.

Name	Role	Email
